

## Third Open Call | Webinar & Matchmaking Session

Learn how to apply, meet potential collaborators, and strengthen your proposal

We are pleased to invite you to the **first webinar and matchmaking session** dedicated to the **PartArt4OW Third Open Call**. This online event is designed to support artists, scientists, cultural practitioners, civic organisations, and interdisciplinary teams interested in applying. The session will guide you through the call framework and application process, while also offering space to connect with potential partners.

### Event details

**Date:** 14th January  
**Time:** 10:00–12:00 CET  
**Format:** Online webinar + matchmaking session

[Register for the Webinar & Matchmaking Session](#)

### What you will learn

1. An overview of the **Third Open Call** and its thematic focus
2. Key **eligibility criteria** and application steps
3. What evaluators are looking for in strong proposals
4. Practical tips for building impactful **interdisciplinary collaborations**

### 👉 Matchmaking session

The second part of the event will be dedicated to matchmaking, offering participants the opportunity to share ideas, discover complementary skills, and explore collaborations across art, science, and civic engagement.

### ⚠️ Registration required

Participation is free, but **registration is mandatory**.

👉 [Register here](#):

We strongly encourage anyone considering applying to the Third Open Call to attend this session.

We look forward to welcoming you online.

### About PartArt4OW

**PartArt4OW (Participatory Art for Society Engagement with Ocean and Water)** is a Horizon Europe-funded project that supports artistic and cultural actors in working with scientists, citizens and communities to address ocean and water challenges through participatory approaches. Through open calls, an accelerator programme, a Sailing Lab and a growing ecosystem of initiatives, PartArt4OW demonstrates how art can play a transformative role in shaping more sustainable relationships with our waters.
